

United Church St. Francis Cluster Regroupement St-François

Welcome! The year 2025 is especially important to the United Church of Canada, as we are celebrating our 100th anniversary!

The Church has been an important part of the St Francis and Eastern Townships area since its founding those many years ago, an integral part of our communities.

Who are we? What are we?

“What I think if when I think of the United Church is

Family,

plain and simple,” says Sue Young.

“The United Church of Canada and specifically for me the members of Hatley United Church and then, for the past 30 years, Beulah United Church in Ayer’s Cliff have been my church family. And just like family you are loved and supported unconditionally and with out judgement.

“Life takes you down many paths and recently my two church families have joined together with many Hatley United Church members joining my Beulah family when their church closed. They were welcomed with open arms. When covid hit and many of our churches were forced on Zoom, our minister had three churches to nurture.

“Of course, it only made sense to join the three churches together for our worship services and meetings.

“When it was necessary to form a search committee to look for a new minister, three churches (Beulah, St Paul’s in Magog, and Georgeville) joined together on Zoom and I am happy to say that we became so close during that time that my church family has extended to include our entire Pastoral Charge.

“Strong healthy relationships nurture a strong healthy church, which enables us to do God’s ministry in our church and also in our communities.”
